WHAT IS IT?

CoderDojo is an open source, volunteer led movement orientated around running free not-for-profit coding clubs and regular sessions for young people.

At Dojos, young people between 6 and 17 learn how to code, develop websites, apps, programs, games and more.
Dojos are set up, run and taught by volunteers.

In addition to learning to code, members meet like minded people, show off what they've been working on and so on.

CoderDojo makes development and learning to code a fun and sociable experience.

CoderDojo puts a strong emphasis on open source and free software, and has a strong network of members and volunteers globally.

At this session we'll be supporting kids to develop their basic and intermediate skills in Scratch, HTML & RaspberryPi …. And anything else our kids and mentors might come up with on the day!

CoderDojo has just one rule:
"Above All: Be Cool!"

WHEN & WHERE

**Sunday
26th January
2020**
10am-1pm

Charles Babbage Suite
Barclays Technology Centre
Radbroke, Knutsford
WA16 9EX

HOW DO I BOOK?

Entry is free but tickets need to be booked via EventBrite and will be allocated on a first-come first-served basis. To book go to …
https://barclaysfrgcoderdojo.eventbrite.co.uk/

We'll send out further details on what you need to do before the day.

WHAT DO I NEED TO BRING?

* A packed lunch & soft drink *.
* A laptop *
* A parent - very important sorry! *
If you are 12 or under, your parent must stay with you during the session.
(The onsite Starbucks outlet will be open on the day for the purchase of drinks, sandwiches and snacks)
